

Date	Time	Sustainable Built Environment Conference 2025 in Tokyo (SBE25 TOKYO), Venue: Toshi Center Hotel Tokyo								Time	
		Reception/ Cloak	Main Room	Poster Room	Oral Room 1	Oral Room 2	Oral Room 3	Oral Room 4	Networking Party		
		Lobby (1F)	Cosmos Hall 1 (3F)	Cosmos Hall 2 (3F)	Room 601 (6F)	Room 604 (6F)	Room 605 (6F)	Room 606 (6F)	Orion (5F)		
Wednesday, September 24th	9:00	9:00-18:00 Reception/ Cloak								9:00	
	10:00		9:30-11:30 Plenary Session Opening Ceremony, Keynote Speech ※Simultaneous interpretation available	10:00-18:00 Poster Exhibition						10:00	
	11:00									11:00	
	12:00		11:30-13:30 Lunch								12:00
	13:00				12:30-14:10 Oral 1 Whole Life Carbon Assessment Tools and Applications	12:30-14:10 Oral 2 Comparative Whole - Life Carbon Analyses for Building Performance	12:30-14:10 Oral 3 Strategies for Building Energy Optimization and Carbon Reduction	12:30-14:10 Oral 4 Sustainable Low Carbon Design and Planning		13:00	
	14:00		13:30-16:00 Special Session 1 Improving Health & Wellbeing ※Simultaneous interpretation available								14:00
	15:00				14:20-16:00 Oral 5 Environmental Performance and Assessment	14:20-16:00 Oral 6 Innovative Frameworks for LCA and Resource Circularity	14:20-16:00 Oral 7 Data - Driven Modeling and Performance Benchmarking for Building Energy	14:20-16:00 Oral 8 Resilient Sustainable Design & Planning		15:00	
	16:00				16:00-16:30 Coffee Break						16:00
	17:00				Poster Exhibition	16:30-17:50 Oral 9 Emerging Technologies, Innovation, and Future Trends	16:30-17:50 Oral 10 Smart Buildings, Smart Cities, and Automation	16:30-17:50 Oral 11 Building Physics and Performance Simulation		16:30-17:50 Oral 12 Case Studies and Best Practices at the Urban and City Scales	17:00
	18:00										18:15-19:45 Networking Party
	19:00								19:00		
	Thursday, September 25th	9:00	9:00-18:00 Reception/ Cloak								9:00
10:00		9:30-12:00 Special Session 2 Neutralizing Whole Life Carbon ※Simultaneous interpretation available		10:00-16:30 Poster Exhibition	9:30-10:50 Oral 13 Thermal Environment, Comfort Metrics, and Physiological Impacts	9:30-10:50 Oral 14 Wellness and Productive Environments	9:30-10:50 Oral 15 Occupant Behavior and Lifestyle Changes	9:30-10:50 Oral 16 Advanced Ventilation, Insulation & Comfort Systems for Sustainable Buildings	10:00		
11:00						11:00-12:00 Oral 17 Inclusive Design and Wellness Frameworks		11:00-12:00 Oral 18 Advanced and Eco-Friendly Materials	11:00-12:00 Oral 19 Health Monitoring and Environmental Co-Benefits		11:00
12:00		12:00-14:30 Lunch		12:15-13:15 Poster Session: Odd				12:00			
13:00				13:15-14:15 Poster Session: Even				13:00			
14:00									14:00		
15:00		14:30-17:00 Special Session 3 Local Actions to Achieve SDGs ※Simultaneous interpretation available		Poster Exhibition	14:20-15:40 Oral 20 Urban Heat, Adaptation Strategies and Human Well-being		14:20-15:40 Oral 21 Climate Change Adaptation and Mitigation Strategies	14:20-15:40 Oral 22 Regenerative Design & Climate - Adaptive Construction	15:00		
16:00									16:00		
17:00		17:00-17:15 Coffee Break			15:50-17:10 Oral 23 Behavioral Patterns and Subjective Comfort in Homes & Offices		15:50-17:10 Oral 24 Resilience and Disaster Mitigation	15:50-17:10 Oral 25 Structural Carbon Reduction Strategies and Well-Being	17:00		
18:00				17:15-18:00 Closing Session					18:00
